

FITAV
Federazione Italiana Tiro a Volo

Il Presidente

Roma, 28th February 2022

Dear President Mr. Lisin,

dear President Mr. Ratner,

as President of the Federazione Italiana Tiro a Volo, I hereby officially declare that Italy repudiates the war and I hereby request that an explicit condemnation has to be given to the aggression that Russia has put in place against Ukraine.

I am therefore asking you, as Presidents of ISSF and ESC, to take an official position on this issue, in defence of freedom and as a form of respect for those who have lost their lives for freedom itself.

Sure of your kind feedback, I thank you for your attention.

Best regards.

Il Presidente
